TWO LUCKY WINNERS GET TO GO TO NEW ZEALAND!

In September, Weta ran a competition to win a trip to Wellington from the US with Air New Zealand, stay at swanky Ohtel, meet the crew at Weta Workshop, go for a ride in our Warthog plus lots of Halo goodies from Microsoft, including an XBox 360 console.

Now the winners have been drawn!

Out of thousands of entries, Lonnie from Texas and Barry from California were the two lucky people to win these fantastic prizes. We're currently arranging dates for their trips and we're really looking forward to seeing them here in Wellington next year.

Well done guys!

We promise to take lots of photos of their visit and will post them on the website
